UCESCO-AFRICA
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST OCTOBER 2025

Statement of Management Responsibilities

It is the responsibility of the Directors to to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organisation as at the end of the financial year and of its operating results for that year. It also requires the directors to ensure that the company maintains proper accounting records which disclose, with reasonable accuracy, the financial position of the organisation. The directors are also responsible for safeguarding the assets of the organisation.

The directors accept responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards. The Board of directors is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the organisation as at 31st October, 2025 and of its operating results for the year then ended. The directors further accept responsibility for the maintenance of accounting records which have been relied upon in the preparation of the financial statements, as well as on the adequacy of the systems of internal financial controls.

Nothing has come to the attention of the Board of Directors to indicate that the organisation will not remain a going concern for at least the next twelve months from the date of this statement.

REPORT OF THE INDEPENDENT AUDITORS

Report on the Financial Statements

We have audited the accompanying financial statements of United Cultural Empowerment and Social Community Organisation-Africa, set out on pages 5 to 11 which comprise the statement of financial position as at 31st October, 2025 and the statement of comprehensive income, statement of changes in equity and statement cash flow for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' Responsibility for the Financial Statements

The Board of Directors is responsible for the preparation and presentation of these financial statements, which gives a True and Fair view of the state of affairs of the organisation and its operating results. Our responsibility is to express an independent opinion on the Financial Statements based on our Audit.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depended on our professional judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we considered the internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion the accompanying financial statements give a true and fair view of the state of financial affairs of the company as at 31st October, 2025 and of its profit and cash flows for the year then ended in accordance with International Financial Reporting Standards and the Kenyan Companies Act.

NOTES

1. Accounting policies

The financial statements are prepared in accordance and comply with International Financial Reporting Standards and under the historical cost convention, and are presented in the functional currency, Kenya Shillings (Shs). The Principal Accounting Policies adopted in the preparation of these statements are set out as

a) Income Recognition

Income is recognised when it is received.

b) Property, plant and equipment

All categories of property, plant and equipment are initially recognised at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated

Depreciation is calculated using the reducing balance method to write down the cost of each asset to its residual value over its estimated useful life using the following annual rates:

	<u>Rate %</u>
Office Furniture	10.0
Communication Equipment	10.0
Computer and Peripherals	25.0
Fixture and Fittings	10.0
Office Equipment	10.0
Motor vehicles	25

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

c) Impairment

At each financial year end, the Board of Directors will review the carrying amount of tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss is recognised in the statement of income whenever the carrying amount of the asset exceeds its

d) Receivables

Trade receivables are carried at anticipated realizable value. An estimate is made for doubtful receivables based on a review of all outstanding amounts at the year end. Bad debts are written off when all reasonable steps to

e) Trade payables are stated at their nominal value.

f) Currency

The financial statements are presented in Kenya Shillings (Kshs). Transactions during the year are translated at the exchange rates prevailing at the date of the transactions.

g) Accruals and Prepayments

Accrual:

Accrual concept states that Income and Expenses must be recorded in the Accounting records and reported in the financial statements of the period to which they relate. Accruals are accrued expenses, they have not yet been paid for. Accruals are current liabilities.

Prepayment

The payment of a debt in full before it is due or payments which have been on an accounting period, but should not be charged against profit until a later period because they relate to that later period. If we pay for something that relates to next accounting period, we use a prepayment to transfer that charge forward to the next period. Prepayments are Current Assets.
