MVET INSTITUTE

MASAYO VISIONARY EMPOWERMENT & TRAINING INSTITUTE (MVETI)

AT THE HEART OF KIBERA. POWERED BY HOPE

EMPOWERING WOMEN. EQUIPPING FUTURES.

WHERE IT ALL BEGAN

In the heart of Kibera, where opportunity is scarce and hope is often buried under hardship, MVETI was born.

Founded to empower women and youth with marketable skills, MVETI stands for dignity, strength, and transformation.

MVETI was created to give women and youth access to education, tools, and hope—one course, one skill, one life at a time.

"We don't just train students. We awaken visions."

Testimonial Snippet

Before MVETI, I had nothing but a dream and two children to feed. As a single mother from a humble background, life in Kibera was about survival.
Thanks to a scholarship from UCESCO and its volunteers, I studied Beauty Therapy at MVETI. Even with limited resources, I pushed through—and after graduation, they helped me open my own beauty parlour. Today, I can feed my kids and live with dignity. This isn't just education—it's transformation."
