Statement of Management Responsibilities

Direct of

It is the responsibility of the management to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organisation as at the end of the financial year and of its operating results for that year. It also requires the management to ensure that the organisation maintains proper accounting records which disclose, with reasonable accuracy, the financial position of the organisation. The management are also responsible for safeguarding the assets of the organisation.

The management accept responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards. The management is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the organisation as at 31st October 2023 and of its operating results for the year then ended. The management further accept responsibility for the maintenance of accounting records which have been relied upon in the preparation of the financial statements, as well as on the adequacy of the systems of internal financial controls.

Nothing has come to the attention of the management to indicate that the organisation will not remain a going concern for at least the next twelve months from the date of this statement.

We have audited the accompanying financial statements of United Cultural Empowerement and Social Community Organisation - Africa, set out on pages 5 to 12 which comprise the Statement of Comprehensive Income, Statement of Financial Position as at October 31, 2023, Statement of Changes in Equity and Statement Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Our Opinion

In our opinion, the financial statenements referred to above present true and fair view, in all material aspects, the financial position of the organization for the twelve moths ended October 31, 2023 and of its performance and cash flows for the year then ended in accordance with generally Accepted Accounting Principles (GAAPs) and International Financial Reporting Standards (IFRS) where applicable and the relevant Acts.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditors Resposibilities for the audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants(IESBA Code) together with the ethics requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with theses requirements and the ESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Executive Committee for the Financial Statements

The Management is responsible for the preparation of the Financial statements in accordance with International Financial Reporting Standards (IFRS). The responsibility includes designing, implementing and maintaing internal controls relevant to the preparation and fair presentation of financial statements that are free from material mistatements, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstaces.

UNITED CULTURAL EMPOWERMENT AND SOCIAL COMMUNITY ORGANISATION (UCESCO) - AFRICA REPORT OF THE INDEPENDENT AUDITORS

Auditor's Responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit and to report our opinion to you.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depended on our professional judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we considered the internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Report on Other Legal Requirements

- i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- ii) In our opinion, proper books of account have been kept by the organization, so far as appears from our examination of those books;
- iii) The Organization's Statement of Comprehensive Income and Statement of Finacial Position are in agreement with the books of accounts.
- iv) The Organization is solvent and we have reasonable grounds to believe it will remain solvent in the foreseable future.
- iv) Nothing has come to our attention that causes us to believe that the business has not been conducted in accordance with the provisions of the NGO Co-Ordination Act, 1990, and

The engagement partner responsible for the audit resulting in this independent auditors' report is CPA Peter Muigai Njathi- P/No. 1420

NOTES

1. Accounting policies

The financial statements are prepared in accordance and comply with International Financial Reporting Standards and under the historical cost convention, and are presented in the functional currency, Kenya Shillings (Shs). The Principal Accounting Policies adopted in the preparation of these statements are set out as follows:-

Other Donations

a) Income Recognition

Income is recognised when it is received.

b) Property, plant and equipment

All categories of property, plant and equipment are initially recognised at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses.

Depreciation is calculated using the reducing balance method to write down the cost of each asset to its residual value over its estimated useful life using the following annual rates:

to its resident	Rate %
Computer and Accessories	25.0
Furniture and Fittings	10.0
Office Equipment	10.0

c) Impairment

At each financial year end, the management will review the carrying amount of tangible assets to determine whether there is any indication that those assets have suiffered an impairment loss. If any such indication exists the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss is recognised in the statement of income whenever the carrying amount of the asset exceeds its recoverable amounts.

d) Receivables

Trade receivables are carried at anticipated realizable value. An estimate is made for doubtful receivables based on a review of all outstanding amounts at the year end. Bad debts are written off when all reasonable steps hto recover them have failed.

e) Trade payables are stated at their nomial value.

f) Currency

The financial statements are presented in Kenya Shillings (Kshs). Transactions during the year are translated at the exchange rates prevailing at the date of the transactions.

g) Accruals and Prepayments

Accrual:

Accrual concept states that Income and Expenses must be recorded in the Accounting records and reported in the financial statements of the period to which they relate. Accruals are accrued expenses, that have not yet been paid for. Accruals are current liabilities.

Prepayment

The payment of a debt in full before it is due or payments which have been on on the accounting period, but should not be charged against surplus until a later period because they relate to that later period. If we pay for something that relates to next accounting priod, we use a prepayment to transfer that charge forward to the next period. Prepayments are Current Assets.
