TINA'S GENEROSITY SHINES AT PEGGY LUCAS SCHOOL

This week, we were thrilled to receive generous donations of food, stationery, and books from Tina for Peggy Lucas School. Tina's unwavering commitment to enriching the lives of our students is truly inspiring. Her contributions go beyond providing essential supplies; they cultivate a sense of community and support that extends to the children and their families.

We are excited to announce that these donations will significantly impact the students' education and well-being. The nutritious food will fuel their minds, while the new stationery and books will ignite their passion for learning and creativity.

Our heartfelt thanks go out to Tina for her incredible generosity. It is through the kindness of individuals like her that we can continue to support the education and growth of the children in our community.

BIDDING FAREWELL TO OUR BELOVED CHRISTINE

Christine has been an invaluable member of our team throughout her tenure, significantly contributing to the Beyond Zero Clinic. Her unwavering dedication to treating and administering care to our patients has profoundly impacted their lives. We are immensely grateful for her compassion and the positive spirit she has brought to the community. While it is difficult to see Christine leave, we understand that her journey is leading her elsewhere. We extend our best wishes for her future endeavors and hope she knows she will always have a home with us.

MEET OUR NEW VOLUNTEER: SVAVAR MÀR HARDARSON!

We are thrilled to introduce Svavar Mår Hardarson from Iceland as our newest volunteer! Svavar has jumped right into our projects, demonstrating a remarkable commitment to our mission. But his contributions go even further—he has generously donated a complete set of engineering tools, along with brand-new office chairs and tables, significantly enhancing our working environment.

This invaluable support boosts our ability to serve the community more effectively while creating a more comfortable workspace for our team. Svavar's kindness and dedication truly embody the spirit of collaboration that propels our mission forward. We are incredibly grateful for his generosity and look forward to the great things we will achieve together!

IGNITING DREAMS: SENTA'S TRANSFORMATIVE VISIT TO LOVELY LOOKS BEAUTY COLLEGE

Senta captivated our students with a heartfelt discussion on determination and resilience, passionately urging them to believe in themselves and pursue their dreams despite any obstacles. Her personal stories filled the room with hope and motivation, sparking a fire in each student to overcome challenges and strive for excellence in their careers.

Senta also joined several lessons, witnessing firsthand the incredible talent and creativity of these aspiring beauty professionals. Her guidance and encouragement fostered a lasting sense of community and support. The students' feedback has been overwhelmingly positive, with many sharing how deeply Senta's words resonated and inspired them to stay focused on their goals.

JEFF'S IMPACT: FROM SUSTAINABLE FARMING TO ELECTRICAL INNOVATION

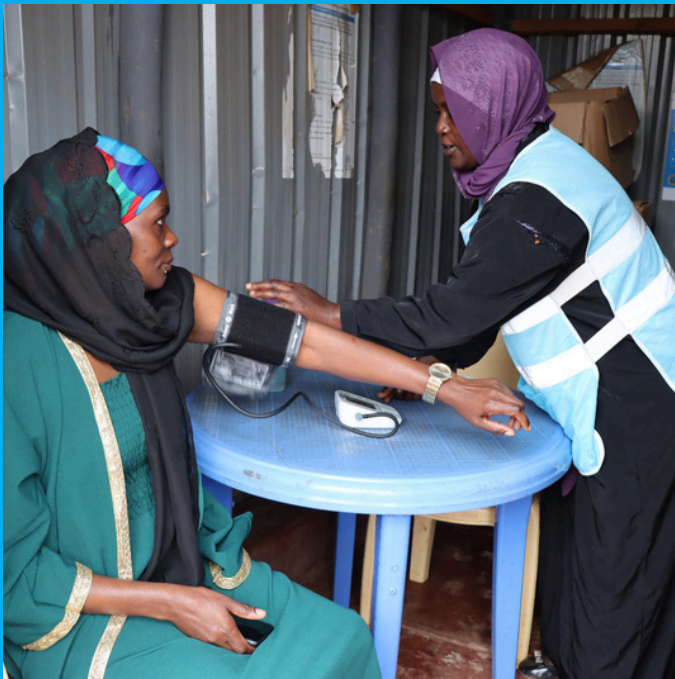

Our incredible volunteer Jeff from Australia has made a remarkable impact across our community. At both Kibera Secondary and Kibera Primary School, Jeff engaged enthusiastically with teachers and students, sharing his expertise in sustainable farming practices. His passion for agriculture was truly contagious, and students eagerly absorbed valuable insights from his hands-on experience.

One of Jeff's standout contributions was the construction of a compost manure structure—a project that promises long-term benefits for our community. This innovative structure will facilitate the decay of organic matter by worms, transforming it into nutrient-rich compost. This natural fertilizer will enhance soil quality, boost our agricultural efforts, and champion sustainability.

But Jeff's talents don't stop there. At Lovely Looks Beauty College, he teamed up with Sarah to tackle essential electrical work, showcasing his versatility and commitment to making a difference. His contributions have helped improve both our learning environments and our community's sustainability practices. We're deeply grateful for Jeff's dedication and the positive impact he's made in our schools and beyond.

A Heartfelt Thank You to the UCESCO - Africa Nairobi and Mombasa Teams

As we continue to drive forward with our impactful projects, we want to take a moment to express our deepest gratitude to the remarkable teams at UCESCO - Africa Nairobi and Mombasa. Your steadfast support and dedication are nothing short of extraordinary and are vital to our success. Whether through generous financial contributions or hands-on volunteer work, your commitment has been the driving force behind our progress. Your passion and perseverance enable us to make a profound difference in the lives of those who need it most.

We are truly appreciative of the pivotal role you play in our mission. Your efforts not only help us achieve our goals but also inspire hope and spark positive change in our communities. Thank you for being an integral part of our journey and for helping us create a brighter future for everyone we serve.

A Heartfelt Thank You to Our UCESCO - Africa Partners and Clubs

At UCESCO - Africa, we are profoundly grateful for the extraordinary support and collaboration from our partners and clubs. Your unwavering commitment has been crucial in advancing our mission and achieving significant milestones.

Your dedication, whether through financial support, expert guidance, or hands-on involvement, has greatly amplified our efforts and enabled us to make a meaningful impact in the communities we serve. The success of our initiatives is a testament to the strength of our partnership and the shared vision for a better future.

We truly appreciate your contributions and look forward to continuing this journey together. With your ongoing support, we are confident that we will reach new heights and make an even greater difference.

Thank you for being an integral part of our mission and for helping us create lasting change.

Best Regards
