UCESCO - AFRICA

NEWS LETTER

"Kindness is the sunlight that warms the hearts of the less fortunate; a small act can illuminate the darkest days and give hope when it's needed most."

Kibera Slums Home Visit.

We embarked on an important mission of reaching out to families in Kibera slums. As an organization committed to uplifting the vulnerable in our community, these home visits are vital part of our work.

During the visits, we had the opportunity to meet with several families, hear their stories, and assess their needs firsthand. Each visit was a reminder of the resilience of the human spirit, even in the face of hardship.

We listened to their struggles, hopes and aspirations and we were inspired to do more to help them build a better future. The conversations highlighted several areas where our organization can have a meaningful impact, including access to education for children, healthcare services and economic opportunities for the parents.

We recognize that each family's situation is unique and we are committed to tailoring our support to meet their specific needs

Transforming Spaces and Minds: A Day of Color and Empowerment at Lovely Looks Beauty College

Our dedicated volunteers Nino and Vanessa spoke to the young women and girls at lovely looks beauty college about the importance of self-love and personal empowerment. Their engaging talk focused on knowing and loving oneself, instilling confidence and positivity in them and also leaving them feel more assured and empowered to believe in their abilities and potential.

On the other side, Thomas, Remo and Lorena brought a vibrant color to the walls of Lovely Looks Beauty College.

They painted two rooms, creating a welcoming and inspiring environment for the students. The newly refreshed spaces are now ready to be filled with creativity and learning.

Empowering young minds; Peggy Lucas School.

Natalie and Romane have been dedicated to empowering the children at Peggy Lucas School through both educational support and nutritional assistance. Their unwavering commitment to our organization's mission has enriched the lives of the children. They have been actively involved in teaching the children at Peggy Lucas, thus providing a safe and nurturing environment for learning. They brought creativity and enthusiasm to their lessons, making learning enjoyable and impactful.

They also got busy in the school kitchen, where they've been assisting in cooking and serving meals to the children. We are grateful for the time and energy they have dedicated to this vital work.

Bidding farewell to our incredible volunteers

Today marks a sad moment for us as we bid farewell to our incredible volunteers who have dedicated the past weeks to our mission. It has been an absolute pleasure to have them on board. Their commitment has made a meaningful impact on our community. As a token of appreciation, each volunteer was awarded a certificate recognizing their participation and the significant role they played during their time with us. Their efforts have not gone unnoticed and we are grateful for the energy and passion they brought to every task. Their presence shall be missed and we are looking forward to welcoming them back and working with them again in the near future. Their spirit has left a lasting impression and we can't wait to work with them in the near future.

Transformation of plastic wastes into Vegetable Garden.

This week, our volunteers Mariantonia and Felix from Germany had made it their mission to empower the community while promoting sustainable practices.

They spearheaded an innovative recycling project that aims to turn plastic wastes into thriving eco-friendly vegetable garden that will provide a reliable source of food. Through this project, they were not only tackling the issue of plastic pollution but also ensuring that the next generation has knowledge and skills to contribute positively to their environment.

This initiative stands as a powerful reminder of the difference people can make when they work hand in hand with the community, promoting sustainable practices that protect the environment while cultivating hope for a better tomorrow.

A Father's Legacy: The Dalton School Samburu Opens Its Doors in Honor of a Beloved Son

This week, the Samburu community proudly unveiled the Dalton School Samburu, a special institution named in honor of Andy Peterson's late son, Dalton.

The Dalton School Samburu is more than just a building; it embodies a legacy of love, hope, and resilience. Since Dalton's tragic passing, Andy has poured his heart and soul into building a school that will benefit countless children in the region. Each brick of the school tells a story ; a story of a father's love, of community strength, and of a promise to empower the next generation.

The school is not just a tribute to Dalton, it is a commitment to provide opportunities, education, and hope to every child in Samburu.

The Dalton School Samburu stands not only as an educational institution but also as a lasting tribute to a son's spirit, which will forever live in the hearts of those who knew him.

A Heartfelt Thank You to the UCESCO - Africa Nairobi and Mombasa Teams

As we continue to drive forward with our impactful projects, we want to take a moment to express our deepest gratitude to the remarkable teams at UCESCO - Africa Nairobi and Mombasa. Your steadfast support and dedication are nothing short of extraordinary and are vital to our success.

Whether through generous financial contributions or hands-on volunteer work, your commitment has been the driving force behind our progress. Your passion and perseverance enable us to make a profound difference in the lives of those who need it most.

We are truly appreciative of the pivotal role you play in our mission. Your efforts not only help us achieve our goals but also inspire hope and spark positive change in our communities. Thank you for being an integral part of our journey and for helping us create a brighter future for everyone we serve.

A Heartfelt Thank You to Our UCESCO - Africa Partners and Clubs

At UCESCO - Africa, we are profoundly grateful for the extraordinary support and collaboration from our partners and clubs. Your unwavering commitment has been crucial in advancing our mission and achieving significant milestones.

Your dedication, whether through financial support, expert guidance, or hands-on involvement, has greatly amplified our efforts and enabled us to make a meaningful impact in the communities we serve. The success of our initiatives is a testament to the strength of our partnership and the shared vision for a better future.

We truly appreciate your contributions and look forward to continuing this journey together. With your ongoing support, we are confident that we will reach new heights and make an even greater difference.

Thank you for being an integral part of our mission and for helping us create lasting change.
